

North Berwick and District Christian Aid
Monthly Quiz
 February 2020
 Price £1

We combine zoology with geography this month. Every answer in this quiz is a Scottish place name which has concealed within it the name of an animal, bird or fish: for example COWcaddens, auchENShuggle or stirLING. As usual, the answers are in alphabetical order. Many thanks to Ian Gordon, who suggested this theme and did most of the hard work finding place names.
